

Administration Schedule – 2012

Examinations may be taken at any of the regular scheduled administrations for any of the counties that Gainesville Independent Testing Service, LLC provides examinations for unless the county has specific directions otherwise.

Tests may also be taken at the Ocala office in Marion County with pre-approval, if required, from a sponsoring agency on a walk in basis on days and times that we are normally open. Scheduling at other offices and locations require a longer lead time for quality control purposes. Tests are not “stored” at any site for administration purposes except those scheduled during a one week period. Some test administrations may require an additional fee if special arrangements are needed to accommodate the individual taking the examination. No additional fees will be assessed for accommodations that are for documented disabilities.
